

Poutama Pounamu Blended Learning for Rangatahi and Whānau

- The Rangatahi and Whānau Blended Learning was developed by rangatahi and whānau Māori for Year 12 and 13 rangatahi and whānau.
- The lived experiences of rangatahi and whānau are used to better understand and respond to racism and privilege.
- Activities are provided to strengthen understandings about colonisation, identity and equity.
- These understandings are used to explore collective actions for decolonisation and anti racism.

The Poutama Pounamu Blended Learning for Rangatahi and Whānau involves:

- Media, such as news items, YouTube videos and podcasts to provoke thinking and deepen learning around racism and privilege.
- Rangatahi and whānau learning together and sharing their thoughts and feelings.
- Reaffirming the importance of Māori knowledge.

Te Hurihanganui Pou and Principles

The pou are:

Kaupapa Māori and Critical Consciousness.

The principles are:

Te ao Māori, Tino Rangatiratanga, Whanaungatanga, Te Ira Tangata, Mana Ōrite, and Te Hāngaitanga.

- Through the blended learning, there are potential opportunities for Year 12 and 13 rangatahi to work for NCEA credits.
- This learning takes place in the community and through online wānanga.

Expected Outcomes are:

- Rangatahi and whānau are supported to understand how they can push back on racism in their schools and communities.
- Conversations to affirm identity and challenge racism are practised in safe and supportive spaces.

We need to have the courage to speak up when we know that what someone is saying is wrong and not just let the comment slip into conversation.
